

Storytelling-Days!
from 11.–13. June 2021

The whole of Switzerland joins in!

In cafés, schools, libraries, coworking spaces and in the countryside: At a storytelling café you are invited to listen to others and tell experiences from your life - without them being judged or discussed. Meet new people and dive into fascinating life stories!

I am especially happy to be able to offer this with the Women's Center Zug, for and with women* only!

What?

At the storytelling café, people meet who did not know each other before. In a small group, we share experiences and thoughts from our lives. I accompany the conversation and create a pleasant atmosphere. Will you be there?

When?

Saturday, June 12th 2021, 14.00 bis 16.00 Uhr **English**

Sunday, June 13th 2021, 10.00 bis 12.00 Uhr **English**

Where?

We meet at the Women's Center Zug, Tirolerweg 8, 6300 Zug

Who?

All women*, no matter what age, all stories are welcome.
The storytelling café is free of charge.

Registration

So that we can dive into our stories together, participation is limited to a maximum of 10 participants per storytelling café. Just go on your preferred date – get a ticket for free on Eventfrog.ch or go to my website: <https://siljaflury.ch/event/erzaehlcafede/>

Why?

The [Swiss Storytelling Café Network](#) promotes direct, interpersonal exchange and strengthens togetherness. Become part of the movement!
